Hadi H. Al-Hammam Establishment (HHE) was established in 1978 as a proprietary Saudi Establishment, headquartered in Rahima, Saudi Arabia with the objective of providing General Contracting services to the Oil & Gas and petrochemical Industries in particular, as well as to the private industries and business establishments operating in the Kingdom of Saudi Arabia.

Since its inception, HHE has systematically expanded its range of services and acquired the necessary skills to provide diversified services most efficiently and cost effectively.
